SCHOOL BUS SAFETY - Reminder for all of us.....As you drive and come upon a school bus, please be observant to what the school bus is doing. Yellow lights flashing mean to slow down and yield to the bus, as they will soon be dropping off or picking up students. When the lights are red and the stop arm is out, traffic stops in both directions. Be observant to what the school bus is doing. Thank you!

---The wrestling mats are now down for the season. Please stay off the mats. It is a new practice mat and we want to keep it clean for our wrestlers. Thank you.

---Volleyball players who did not turn in uniforms and water bottles need to do so ASAP.
