COUNSELOR'S NOTES:

- Thank you to all of the students and families that visited the College Fair. When we have good attendance like we did, colleges look forward to participating in our event.
- Parents of seniors are invited to attend the Financial Aid presentation at 8 a.m. on Tuesday, October 4. We will begin shortly after 8:00 a.m. in the commons. The presentation will last approximately one hour. Coffee, juice, and donuts will be provided.
- Family Engagement meetings are scheduled for students and parents to learn about steps they can take now to prepare them for college.
Steps to College Meetings on Tuesday, October 11:
9th grade - 5:30-6:30 p.m.
11th grade - 6:30-7:30 p.m.
12th grade - 7:30-8:30 p.m.
Note: There will be meetings in the spring for grades 10 & 12.
- All students in grades 9-12 will attend a college visit on Tuesday, October 18. Parents, visit with your student to determine which visit will be the best option based on the student's interest for future plans. Upperclassmen have seniority for spots, but we will try to accommodate all requests. UNL is not able to accommodate groups to eat at their dining hall at this time, so all students attending UNL will have the opportunity to purchase their own lunch at a local restaurant in Lincoln. Please plan for at least \$10 for your student that day, although there will be options that may cost less. Lunch will be provided for students on the other two college visits. A sign-up for the college visit is in your student's Canvas. Contact Mrs. Robinson with questions or for more information.
Colleges EB will visit on Tuesday, October 18:
University of Nebraska - Lincoln (City and East Campus)
Midland University - Fremont
Central Community College - Columbus

It's Okay to Talk About **SUICIDE**

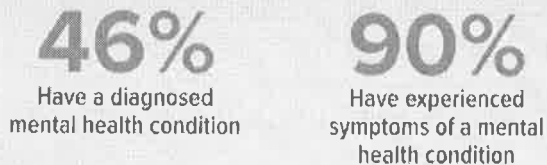

Thoughts of suicide can be frightening. But by reaching out for help or checking in with friends and family, we can avoid devastating outcomes.

Suicide is **NOT** the answer.

Suicide is a leading cause of death in the U.S.:

Among those who die by suicide:

HIGH RISK POPULATIONS

79% of all people who die by suicide are male

4x Lesbian, gay and bisexual youth are four times more likely to attempt suicide than straight youth

Transgender people are 9 times more likely to attempt suicide at some point in their lifetime than the general population.

9x

If you or someone you know is struggling or in crisis, help is available. Call or text **988** or chat **988lifeline.org** to reach the **988 Suicide & Crisis Lifeline**.

If you start thinking about suicide, seek help. Call or text a crisis line or a trusted friend.

Make an appointment with a health care professional to talk about what you're thinking or how you're feeling.

Suicidal thoughts are a symptom, just like any other — they can be treated, and they can improve over time.
