EAST BUTLER FAMILY...The Four Corners Risk dial went from 1.83 to 1.52. They are remaining in yellow. They did not have very many positive cases this week. With that being said, I will be moving East Butler into the GREEN. The reason for this is that our numbers continue to look good - 0 in quarantine and 0 positive cases. So what does this mean? Our protocol states, which we have utilized all school year, that when we are in GREEN, masks are optional while in the classroom. We will utilize masks on the move, where students will be expected to wear them when moving around the buildings and while standing in line.

Mr. Eldridge

- There is a program now accepting applications that can help Nebraskans to pay for rent and utilities - The Emergency Rental Assistance (ERA) program makes funds available to assist eligible renter households that are unable to pay past due and/or future rent and utilities due to the COVID-19 pandemic, subject to income qualifications. For more info and to apply, go to: <https://coronavirus.nebraska.gov/EmergencyRentalAssistanceProgram>
- Also - no one should be evicted right now - the CDC's eviction moratorium has been extended through 6/30/21. [Temporary Halt in Residential Evictions to Prevent the Further Spread of COVID-19](#)
