FFA/AG NOTES:

- ★ All high school students and their families are invited to attend the College of Agricultural Sciences and Natural Resources (CASNR) Experience the Power of Red Visit Day on Thursday, February 23rd. This is a free event that enables students to learn more about careers and opportunities in our College as well as meet current UNL students, faculty and staff. The day will begin at 9 a.m. in the East Campus Union and wrap up with lunch and a scholarship drawing by 12:30 p.m. Students can learn more and register at casnr.unl.edu/visitday.
- ★ Titan Machinery is excited to announce a Diesel Camp program for Summer 2023! The camp will provide 9th and 10th grade students with the opportunity to step into the work boots of a Service Technicians/Diesel Mechanic! Campers will be actively involved in hands-on mechanical projects, solving real-world problems, and learning the ins and outs of equipment. They will work and learn alongside certified Diesel Technology instructors, industry experts, and current student technicians. The dates for Nebraska are June 5th and 6th at CCC in Hastings.
- ★ FFA State Degree Interviews for SENIORS are SATURDAY, February 4th @ Schuyler Middle School. Times will be assigned soon and official dress is required. Plan accordingly.
- ★ FFA proficiency applications are due January 30th.
- ★ The first round of FFA district contests are Thursday, January 26 @ Northeast Community College. Contests include Food Science, Floriculture, Biotechnology, Agronomy and Livestock Judging. You are expected to finish out with the scheduled practices in order to attend. Lunch has been paid for. Wear your BLUE chapter shirt.

CAMP INVENTION - East Butler Foundation will be awarding scholarships in the amount of \$50 per camper. Funds will be reimbursed after the student is registered for camp and if a scholarship has been requested before March 31st. Any East Butler students who sign up for Camp Invention and fill out this form will receive a reimbursement. If you have multiple children, you will need to fill out a form for each camper. THE DEADLINE TO SIGN UP FOR A SCHOLARSHIP IS March 31st. After registering for Camp Invention use this link to sign up for the scholarship.

Camp Invention®

A fifth grader practices tricks — and persistence — with the mini skate park they designed.

Third graders build collaboration skills as they create their very own pop-up business.

A first grader uses creative problem solving to turn a robot into a stuffie with style.

FIND FUN CHALLENGES IN A TYPICAL DAY AT OUR ALL-NEW 2023 PROGRAM

A.M. BASE CAMP

Drop off your camper with qualified local educators who start each day with games that spark creativity.

MIMICBOT™:

Campers transform their own robot into a one-of-a-kind stuffie, and then take their creation home to inspire more original ideas!

CATCHING AIR™:

When they design their own mini skate park, campers take on ramps and rails in an epic ride through physics, engineering and art!

GAMES & LUNCH

Half the campers head outside to play action-packed games while the others eat lunch — and then they switch.

POP-UP VENTURE™:

To create their own pop-up shop, campers use green energy and awesome entrepreneurship skills.

INVENTION CELEBRATION™:

Campers become confident event planners as they set the mood with lights, music and an innovative Party Assistant!

P.M. BASE CAMP

The day wraps up as campers wind down with problem-solving games.

All images feature actual campers enjoying our new 2023 program.
