

Use of ESSER III Funds

- **HVAC System for the Dwight Gym**
 - To assist in improving the air quality and to mitigate the spread of illness, it was decided to utilize a portion of these funds to improve the HVAC system in that facility.
- **Purchase IXL - Supplemental online program**
 - In order for our schools to address any learning loss that occurred during the 2020 pandemic closure. This program will assist our teachers and students with their learning needs.
- **Mental Health Services**
 - It is becoming more and more evident that our students, as a direct result of the pandemic, are developing a greater need for mental health services. The East Butler District contracts services with an outside agency for the mental health needs of our students. Funds would be utilized to continue this program within our school.
- **Curriculum Needs**
 - The East Butler district in order to combat any learning loss that has occurred as a result of COVID-19 pandemic, the district will be pursuing new curriculum in the areas of Math and English Language Arts.
- **New Network Server**
 - To continue to improve our network system for our students and staff, a new network server is needed. This purchase will assist us in providing our students with the ability to move to remote learning if the need were to arise.
